

We support K-Love and faithfully have them tuned in on our radio. We do NOT want them to be forced off the air by allowing new LPFM stations to take priority over K-Love's translator service. This station is very important to my family, especially for my children. They offer my family and our neighbors' families clean, positive, and uplifting music and information. Please do not allow K-Love to be forced off the air - we need them in the Carson City/Reno area.
